

Homewares

Shelving Solutions produces a comprehensive range of standard and bespoke solutions for the effective merchandising of Homeware products. Our equipment has been installed in thousands of retail outlets, from large grocery multiples to smaller independent chains and specialists.

With standard shelving and display systems on offer through to a capability to produce high quality bespoke furniture, we can provide solutions for all homewares merchandise, from fabrics to crockery.

We provide fixtures in metal, wood, acrylics and glass, including integrated security and lighting where appropriate. Whether supplied to order, integrated with your existing displays or provided on an installed and project managed basis, we have the products and breadth of services to ensure that we can meet our customers' needs.
