

Horticulture

Shelving Solutions standard range of Horticulture display and fixturation units are an innovative and flexible solution for displaying flowers and plants. The displays can be integrated into shelf runs, set as stand alone islands, promotional displays or at the end of shelving aisles.

Garden centre outdoor units are available in timber/metal. A complete range of colours, sizes and geometries are available plus accessories including pots, bucket holders, bag dispensers, wrapper holdings, matting, POS materials and more.

So whether you need a standard product or would like to work with our market-leading Concept Design team to produce something a little different, we can meet your needs.
