

Kids & Toys

Shelving Solutions provides solutions for merchandising Toys to many leading retailers in the UK and Europe, from large and specialist stores to Grocers' non-food product offers. We provide fixtures in metal, wood, acrylics and glass, including integrated security and lighting where appropriate.

Our Toys merchandising product offer encompasses a range of standard shelving systems, with hot spot and promotional features and accessories also available. A complete range of sizes and geometries is available for selection, with Point of Sale equipment also available for branded and unbranded products. Whether supplied to order, integrated with your existing displays or provided on an installed and project managed basis, Radford can meet your requirements.
