

Petrol Forecourts

Shelving Solutions produces a comprehensive range of standard and bespoke solutions for the effective merchandising of Petrol Forecourts. Shelving Solutions has considerable experience of Petrol Forecourts, and also in the closely related convenience retail market.

We are able to offer a range of wall bays, gondolas, counters, and displays suited to the Petrol Forecourt environment from our standard product range. We are also able to supply bespoke solutions utilising our in-house design team to exactly meet customers' requirements.

SHELVING SOLUTIONS Ltd

Beers, Wines & Spirits Display includes:

- Conceptual Product Design/ Store Layouts
- Liaison with Customers' in-house Design Teams
- Reverse Engineering/Value Engineering
- Technical expertise – weight loading and material substitution
- Standard catalogue or bespoke equipment
- Promotional features
- Integration of wire, glass, timber and acrylics
- Optional integrated power track/sockets
- Optional lighting and security features
- From supply only to a fully integrated project managed service

The above list of products and services is not exhaustive. If you are currently specifying metal shelving systems and display equipment for Petrol Forecourts or Convenience Stores, call us today and see how we can help you get the best from your store.

Want to get the most from your display equipment assets whilst reducing your environmental impact? For retailers with ongoing refurbishment programmes, talk to us about how we can help maximise the lifespan of your display equipment.
